

Special Inspections Program: List of Accepted Special Inspection Agents

The following Special Inspection Agents submitted specific qualifications and have been accepted by Gwinnett County to perform Special Inspections in accordance with the Georgia State Minimum Standard Building Code (The 2018 International Building Code with Georgia State Amendments), Section 1704.2.1

Note: Special Inspection Agents have varying qualifications. The Special Inspection Agent authorization for a specific construction project shall be determined by the applicable relevant qualifications as indicated on the Schedule of Special Inspection Services
